DETAILED ACTION

Allowable Subject Matter

1. Claims 10-11, 69-77 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant claims a method of presenting an interactive multimedia book on a computer system comprising the steps of recognizing a voiced word spoken by the user of the book as an active hyperlink, responding to a voiced word which is an active hyperlink by first storing a current page number in a last in, first out register before moving to a second page of the book which contains an anchor for the hyperlink, the current page being an origin page, and then moving to said second page of the book which contains the anchor for the hyperlink, recognizing a voiced command spoken by the user of the book to return to the origin page, responding to the voiced command to return to the origin page by moving back to the origin page, and deleting the origin page from the last in, first out register after moving back to the origin page. The cited prior art alone or in combination fails to fairly disclose or teach the claimed combination of features..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
